We hope you enjoyed the holiday season and are feeling rejuvenated and ready to take 2019 by storm! 2018 was a busy and exciting year for us so we thought we'd share a few of the highlights!

Our industry experts **taught** more than **2,100** technicians, installers, engineers, designers and other support **staff** in a wide variety of industries across the globe. Our students earned **1,200 certifications** through accredited independent third-party industry organizations and groups. **Two new courses** were launched to ensure that our students remain current with the latest products, best practices, and emerging technologies.

We are excited for 2019 and look forward to ALL the opportunities ahead. Here's to a happy, healthy and prosperous new year!
